2020-2021 School Supplies

Dear Prince Charles Parents,

Previously, Prince Charles has purchased school supplies in bulk for all our students. This year we are asking families to source their own student school supplies either by ordering from 'Teacher's File' or purchasing from your choice of supplier.

We recommend Teacher's File to ensure that everyone get good quality products specifically requested by instructors, with the convenience of one-stop shopping. The rationale is to support classroom instruction by equipping students with the same supplies.

- Teacher's File Supply bags contain all top-quality brand name. Each grade supply list has been created in consultation with teaching staff.
- Orders will be delivered to the school, so that when your child arrives in September, their supply bag will be waiting for them!
- **Order by August 1st** to receive your supplies at regular cost. **Orders received after this date will include a \$5.00 late processing fee** and are available only while supplies last!
- Can't remember if you placed your order? Visit the online checker on **The Teacher's File website** at: <http://packs.teachersfile.ca/>.

If purchasing supplies from a supplier of your choice, it's NOT necessary to buy the EXACT brand specified on the supply list, but **please ensure items are of good quality.**

Please order **school supplies online thru Teacher's File at:**

<http://packs.teachersfile.ca/schools/216>. If you'd like to pay by cheque, please mail the supply form & payment directly to Teacher's File. **Be sure to order by August 1st!**

Additional Items, also required but may not be included in the school supplies package:

- **Pair of indoor shoes to be left at school – all grades**
- **Pair of Computer Headphones in a large, labeled Ziplock bag**
- **One complete change of clothing to be left at school – Grades K & 1.**

***About Gym runners** - please make sure your child has properly fitted **non-marking runners** (no high heel type runners or runners that don't cover the heel). Runners that have a very small amount of Velcro strips do not seem to be lasting. **If shoes have laces, please make sure the laces are the correct length and that students know how to tie them independently.**
