

ArtVenture Explorers Program- Grades K - 2

Welcome to ArtVenture Explorers, where creativity knows no bounds! Join us on an exciting journey that blends the magic of art with the wonders of science. In this program, kids will embark on thrilling adventures filled with hands-on activities, experiments, and artistic creations.

Skittle Ball Showdown Program - Grades 3 - 5

Skittle Ball is an exciting game that combines elements of skittles, bowling, and strategy. It is designed for players of all ages and can be enjoyed both indoors and outdoors. This program will be also incorporate a variety of drills focused on accuracy, power, precision, speed, and agility, players can develop a well-rounded skill set and improve their overall performance in the game.

Flash Fiction Program - Grades 3 - 5

Calling all authors and artists...in this program, you will learn to write a flash fiction story (a very short story). In addition to learning creative writing, our ACSS Instructors will inspire students through art to help bring their pages to life. Once students have finished their book or comic book, they will be printed for students to take home at the end of this awesome program. Imagine that, your very own book to read to your friends and family!

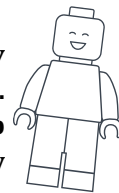

Taste of Art - Edible Art Program - Grades 3 - 5

The Taste of Art Program is a one-of-a-kind program designed to ignite the imagination and stimulate the senses through the creation of edible masterpieces. From whimsical creations to beautifully decorated cuisine, participants embark on a culinary journey where every dish becomes a canvas for artistic expression.

Lego Creations Corner Program - Grades K - 2

This exciting Lego building program invites young builders to channel their creative skills by exploring diverse building themes, and tackling both individual and group building challenges. From constructing epic marvels to teaming up for innovative projects, participants will develop essential skills while having a blast in a supportive and collaborative environment. Come show your building skills in Lego Creations Corner!

Basketball Skills Program - Grades 4 & 5

Get ready to elevate your basketball game with this great program! We will focus on developing fundamental skills and enhancing your technique, game strategy, coordination, and agility while fostering a genuine passion for basketball. This program will also place a strong emphasis on sportsmanship and teamwork, ensuring you not only become a better player but also a better teammate. Come join us on the court!
