Ey Swayel Prince Charles Families:

This past week at PC has been filled with enriching learning experiences, meaningful events, and a strong sense of community connection.

Our Book Fair was a tremendous success! Thank you to all the families who came out to support literacy and help foster a love of reading among our students. Events like these are more than just fun, they play a vital role in nurturing a lifelong passion for learning. As part of the Abbotsford School District's Strategic Plan, increasing literacy rates is a key priority under the Student Success pillar. By engaging students in reading and providing access to diverse and exciting books, we are supporting their development as confident, capable learners prepared for future success.

We also had a fantastic turnout for Movie Night on Wednesday, as our Royals enjoyed watching *Bad Guys 2*. It was a fun and entertaining evening, and we extend our sincere thanks to our PAC for organizing and supporting this event.

Lastly, on Friday, our school came together for a thoughtful Remembrance Day Assembly. Students participated respectfully as we honoured the sacrifices made by those who served in times of war and peace. Remembrance Day is a time to reflect on the courage and selflessness of individuals who gave their lives so that we may live in peace and freedom. A huge shout out to Mrs. Dugdale and Mrs. Fehr for helping organize this assembly.

We encourage families to take a moment on Tuesday, November 11th to reflect, perhaps by visiting a local cenotaph or simply pausing to remember those who served. These acts of remembrance help instill values of gratitude, peace, and generosity in our children.

Warm regards,

Mr. Paul Allanson
Principal of Prince Charles Elementary School

Playground Project Fundraiser!

Prince Charles Elementary School

HELP MAKE OUR DREAM A REALITY!

We are aiming to raise \$100,000 to create this vision.

Our plans include:

- Installing a rope climbing structure in the upper field playground.
- Adding two small spinning play structures.
- Replacing the old wooden monkey bars with metal climbing bars and a small climbing wall.
